Anthony Cirillo
"The Meaning of Life"

Dear Anthony,

I would like to take this opportunity to thank you for your recent performances held at The Haven in Highland Creek and The Haven in Carolina Place. We had approximately 95 guests who expressed such appreciation for being invited to the event and admiration for you as a performer. Comments such as:

"I have laughed like that in months!"

"He is such a great performer!"

"Be sure including me on the invitation list the next time Anthony performs!"

You are welcome to utilize me as a reference as well as Kelly Gibson who is the Life Coordinator at The Haven in Highland Creek (704) 992-1560.

Take care and thank you once again for such a memorable experience.

Sincerely,

Stacy Carter
